

EVALUATION OF EVIDENCE-BASED PROGRAM

NEED:

1. What academic or social/behavioral need is this program addressing?
2. What data suggests a need in this area?
3. Have you encountered any parental/community feedback which indicates need for this program?

FIT:

1. How does this program align with current school priorities (MTSS, School Improvement Plan, District Improvement Plan, State Initiatives)?
2. How will this program align with the current organizational structure?

CAPACITY:

1. What is the financial commitment for this program?
2. What are the steps to ensure that the ESD/LEA could maintain sustainability of the program?
3. What are the steps that need to be taken for buy-in and commitment at the school level?

READINESS:

1. What data have you gathered from other sites who have successfully implemented this program?
2. Who will be the expert to oversee and ensure that this program is run with fidelity?

RESOURCES:

1. What resources are needed?
 - Staff

 - Professional Development

 - Technology/Data Systems

 - Curriculum in classroom

 - Coaching/Supervision

 - Additional materials

EVIDENCE:

1. What data will you gather to ensure effectiveness?
