Using a 4x6 index card the student writes

• **YES** on one side and **NO** on the other.

When a question is asked the students hold up  
**YES** or **NO**.

1. Ask the students if they know the following vocabulary words and what they mean.
2. Call out a word. If a student is holding a **YES** they may be called on to give the correct answer.
3. Remind them that if they don't know the words it is OK because they will be learning them.
4. You can do the same thing with conceptual ideas, etc.
